SPECIAL PICTURE EDITION

**Welcome To  
Photo CD Imaging**

After weeks of waiting for programs, CD-ROM repairs, and the Photo CD disk itself, we finally have access to Photo CD pictures of the last days of seventh grade and summer vacation. Here is a sample of some of the pictures:

# Grand Manan Island

*Above:* Seals near Grand Manan Island.

*Right:* Joe Loy, Brendan Loy, Leanna Loomer. Picture taken in front of the Long Eddy Point Lightstation on Grand Manan Island.

*Above:* A view of the magnificent Southwest Head cliffs on Grand Manan Island. We apologize for the strange coloration of the sky and parts of the water in this picture. This error is caused by the conversion of this Photo CD image into a bitmap (BMP file).

**OPERATION  
GET A CAR**

# Saying goodbye to Pontiac... Saying hello to Neon... Hi!

*Left:*  
The Pontiac T-1000, just a few minutes after we traded it in, on the lot at Papa's Dodge. Note the window sticker in the back seat window.

*Above:* Our brand new Neon at Papa's Dodge, just a few minutes after we bought it. Inside the car, an employee teaches my Mom and Dad all about the features of the Neon.

*Right:*  
The two cars we own now—Dodge Aries and Dodge Neon—in a parking lot. Picture taken about thirty minutes after we bought the Neon.
